STUDIO POLICIES

- Your booking is only confirmed after we receive your 70% deposit. Until then, the date is open to other clients.
- You are responsible for your crew's behaviour while in the studio.
- You are responsible for any damage caused during your shoot.
- If you use RMS equipment, please return it in the same condition you got it.
- Anything you shoot in the studio belongs to you, unless we agree otherwise in writing.
- We may turn down bookings that do not match our values or content standards.
- On shoot day, you can access the space 30 minutes before your booked start time for setup.

NOTE

Your paid time starts at the booked start time, even if you arrive late. The 30-minute pre-access window is a traffic cushion — plan to arrive before your start time.

OVERTIME

Overtime fees must be settled on the same day, before you leave the studio. We will send a top-up invoice payable via bank transfer on the spot.

PAYMENT TERMS

- A 70% deposit is required to lock your booking. Without it, the date stays open to other clients.
- The remaining 30% must be paid no later than 48 hours before your shoot date.
- You can pay the full amount upfront if you prefer. We welcome this.
- All deposits are non-refundable.
- If you cannot meet the 48-hour payment deadline, you may reschedule to a future available date (see Cancellation Policy).

CANCELLATION POLICY

- If you cancel 7 days or more before your shoot, you can move your booking to a future available date. Your deposit stays on file.
- If you cancel within 7 days of your shoot, your deposit is non-refundable.
- You are allowed up to 2 reschedules per booking. Each reschedule must be confirmed at least 7 days before the original shoot date, or right after a missed payment deadline.
- After the 2nd reschedule, your booking must go ahead on the new date. If a 3rd payment deadline is missed, the booking is cancelled and your deposit is forfeited.
- When you reschedule, your deposit moves with the booking. The remaining balance is still due 48 hours before the new shoot date.
